

Insight Meditation Retreat

Conscious Contact and Mindful Recovery

with

Kevin Griffin and Jill Satterfield

Greg Pergament (Chi Kung) and Walt Opie (assistant teacher)

April 27 - May 4, 2019

at the Vajrapani Institute, Boulder Creek, CA

Join us for this traditional Insight Meditation retreat with opportunities to delve deeply into the noble silence of meditation and mindfulness in all postures. This retreat will include instruction for mindfulness and loving kindness. Daily Dharma talks will emphasize issues related to clinging, aversion, and letting go. Progressive steps in meditation instruction will be provided each day, along with time for Q&A. Students will have the opportunity to meet with teachers in small groups and one-on-one.

The intensive nature of the retreat allows for profound personal openings, insight, and transformation. The support of the community carries us through the sometimes challenging, often inspiring elements of this deep inner work.

Daily Chi Kung practice will offer added energy to the retreat.
